

Martin L. Doster, Lippes Mathias Wexler Friedman's Senior Environmental Advisor, Appointed to Buffalo Niagara Riverkeeper Board of Directors

December 22, 2016 | **PRESS RELEASES**

BUFFALO, NY – Martin L. Doster, senior environmental advisor at Lippes Mathias Wexler Friedman LLP, has been appointed to the Buffalo Niagara Riverkeeper board of directors for a three-year term.

Buffalo Niagara Riverkeeper is a community-based nonprofit organization dedicated to protecting the quality and quantity of water, while connecting people to water. For more than 25 years, Buffalo Niagara Riverkeeper has been leading a regional transformation in the rust belt towards a blue economy while bringing together multiple partners, community leaders and other non-profits to showcase an international restoration model for the Great Lakes.

In his role at Lippes Mathias Wexler Friedman LLP, Mr. Doster advises attorneys and consults on matters related to national environmental issues facing the firm's real estate and development clients. Mr. Doster joined the firm following a 32-year career with the New York State Department of Environmental Conservation, where he spent the majority serving as the regional remediation engineer for the Division of Environmental Remediation. Mr. Doster serves as an adjunct faculty member at the University at Buffalo where he lectures on design of environmental engineering systems.
