

Mitchell J. Ream Discusses Instruments Executed Under Seal in Column Authored in the Rochester Business Journal

December 5, 2024 | **IN THE NEWS**

Mitchell J. Ream, member of Lippes Mathias' banking & financial transactions team, in a recent column authored in the Rochester Business Journal, explains how a single archaic word—"Seal"—on your loan documents could extend the time a lender has to bring a claim from three years to as many as 20.
