

## Webinar: Considerations When Crossing the Border & How to Obtain Work Authorization

June 11, 2024 | **EVENTS**

Immigration Practice Team co-leader Eileen M. Martin and member Elizabeth M. Klarin are speaking on a GTA Accountants & Finance Network webinar titled, "**Considerations When Crossing the Border & How to Obtain Work Authorization**," from 2-3 PM on June 11th.

The two will provide information on steps employers must take when they send their employees to the U.S., or when their workers must enter the U.S.

After the program, attendees will be able to:

- Assess Business Visitor activity for purposes of entry to the U.S.;
- Determine the activities and circumstances that require a US work;
- Identify several types of US work permits that may apply; and,
- Learn about other areas of law that are related to foreign nationals working in the US.
